Terms and Conditions

Park members will normally be invoiced on a quarterly basis, whilst other members be be invoiced 6-monthly. Payment is due within 14 days of invoice date.

A penalty interest of 10% will accrue on all amounts outstanding beyond 30 days.

Multiple Caravan Park Owners

VCPA policy is that where more than one caravan park is owned, managed, or worked in by the applicant, all such parks are required to become Members of the Association. A separate Application Form should be completed for each Park Application.

Multiple park discounts will only apply when the total number of sites exceeds the maximum sized park as per the fee scale (see above). Once that point is reached, the maximum member park fee charged to a multiple park owner shall not exceed that of the fee for the maximum sized park as per the fee scale. For example, an owner may have 6 parks with a total of 750 sites. The maximum fee shall be that for >500 sites, which is \$566 per quarter.

Joining fee

A Joining fee of \$110 (incl. GST) will apply to all new Membership Applications to assist in the recovery of administrative costs associated with the application.
